

Put James and Morris to Work for Your Business!

Our Listeners are Your Customers!

For nearly two decades, **On The House** has provided valuable tips to homeowners on how to improve, maintain, and fix up their single biggest investment - *their home!*

Americans will spend over \$200 billion fixing up their homes this year! The On The House audience represents a significant portion of this market. They demonstrate an interest in home building, home remodeling, home repair, design, decorating and gardening. - which provides sponsors of the program with one of the most cost effective, targeted vehicles to promote their products and services.

THE Home Improvement Experts!

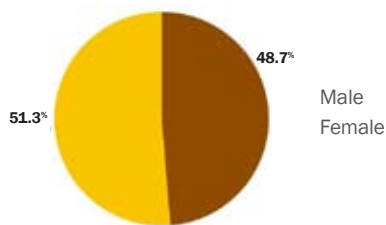

James and Morris Carey

Offer advice on all aspects of remodeling, home improvements, construction and home maintenance – based on nearly 60 years of combined “hands-on” experience.

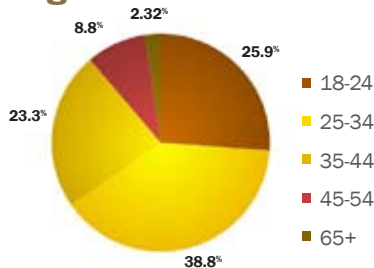

Authors of “Home Remodeling for Dummies,” “Home Maintenance for Dummies” and “Home Improvement All-In-One for Dummies.”

Nationally-recognized as both award-winning remodeling experts and dedicated consumer advocates.
